Renew your OVH
membership now!

March 2025

Next Monthly Meeting: Tuesday, March 18, 2025

PRESIDENT'S LETTER:

Greetings All,

In February, we held our annual club officer elections during our monthly meeting. I'd like to thank everyone who braved the bad weather to participate. In a clean sweep, your entire officer cadre was reelected. John, KG4NXT; Jeff, K9VEG; Gil, KM4OZH and I (Ken, KN4DD) were returned to our positions as Secretary, Treasurer, Vice President and President, respectively,

Because of bad weather, our planned speaker, Gordon / NQ4K, was not able to give his Virginia QSO party briefing. In his stead, John / KG4NXT was able to find us an interesting video at the last minute "Parachuting into POTA". Interesting, but I don't think many of our OVH members will be rushing out to try this one which included a parachute jump from a 14,500 foot altitude. The most common comment, and thus the lesson learned from this video, was to pre-arrange your contacts, instead of spinning around your dial looking for contacts while on descent by parachute.

A big thank you to John for the video and we will be seeing Gordon again, later this spring.

Next, your annual dues, which are now \$25, are due by March 31st. As you are all aware, the two major ways our club makes money is our Tailgate Party and our dues. Repeater maintenance expenses are always significant. If you have not yet paid, PayPal is preferred, but you could always bring a check to our next monthly meeting, (which will be March 18th) with the check made out to Ole Virginia Hams. Please get caught up before the end of March membership suspension dates occur. See also, the mail-in form for renewing your membership later in this Newsletter.

After a very successful sophomore year, Field Day Chairwoman Cat / KM4PBD, returns again. This year, circumstance has your entire officer cadre involved with Cat in trying to

All telephone numbers listed above are for Area Code 703 unless otherwise noted. This is the official monthly publication of the Ole Virginia Hams Amateur Radio Club, Inc., a §501(c)(3) organization, dedicated to the promotion and enhancement of Amateur Radio. Copyright © 2024 by the Ole Virginia Hams which holds its regular monthly meetings at 7:30 p.m. every third Tuesday at the Buckhall Volunteer Fire Department Station, 7190 Yates Ford Road, Manassas, Virginia except during the COVID pandemic (in 2020-2021) during which the monthly meetings were held online. The Newsletter will have login details for monthly online meetings if applicable. Members, prospective members and other interested persons are invited to attend without obligation. Local information can also be obtained through the OVH's FM repeaters on 146.970-, 224.660-, 442.200+ and 443.500+ MHz. Up to date information about OVH activities and its meetings is also available during the OVH's nets on its FM Repeater each Thursday night at 8:00 p.m. or through the OVH's web site at <http://w4ovh.net>. Articles in this newsletter may be reprinted if credit is given to the OVH ARC and other source(s) noted. Proposed materials for publication, classified ads, notes about specific errors, complaints or the like are solicited. Forward such items to the Newsletter Editor: paul@w4zb.com. Approx. Circ.: 170. Last Rev: 20240714

Cont'd from page 1

solve an important new issue. Prince William County Parks & Recreation Department has told us “No more overnight stays” at the Nokesville Park, despite all of our previous years experiences. Various members of the OVH have been in meetings and we have been asked for business letters showing a relationship to county emergency preparedness, all to no avail. We are now trying to get a County Supervisor involved.

Your Officer Cadre will keep you in the loop with regard to a final disposition of this issue.

John / KG4NXT, has taken over as Tailgate Party Chairman from Don / WA2SWX, who is enjoying a well-deserved retirement in Ecuador. John has called for a planning session at Sam and Joe's Pizza & Subs in Manassas on March 25th. As I said a few paragraphs back, this is our biggest money maker of the year, and we could use your help. If you are interested in helping, we would love to see you.

Our monthly breakfast returns this Saturday, March 15th at 8:00 AM. Pioneered by Byron / AK4XR, we get together every Saturday before our meetings at a table or two in the back of Yorkshire Restaurant for some good food and good conversation at the Yorkshire Restaurant, 7537 Centreville Road, Manassas, Virginia.

I am happy to say that our monthly regular club meetings are back on our normal “third Tuesday of every month” schedule for the rest of 2025. Our upcoming meeting will be on TUESDAY, March 18th, 7:30 PM – 9:00 PM EDT at the Buckhall VFD Hall, 7190 Yates Ford Road, Manassas.

Jerry Stuckle / AI0K of the NWS will give a presentation on SKYWARN at this meeting.

I am really looking forward to this one, and will probably be signing up for the SKYWARN basic class after this presentation.

Also, a reminder to check in to the OVH's Thursday night VHF/UHF repeater net at 8 PM. The details for that are on the OVH's web site: <https://w4ovh.net>

Questions, comments or war stories can be directed to my e-mail: KN4DD@arrl.net

73 Ken KN4DD

Sunshine Corner

Happy Birthday wishes to the following club members with birthdays in March: Fred / N3KVV, Noel / NW5N, Scott / KM4FTD, Gary / K4MRL, Jeff / N1SN, Michael / KO4BCN, David / KO4HIR, and Michael / KO4HBU. Hope you have a great year ahead!

Condolences to Al KB4BHB, his younger brother passed away in February.

Get well wishes to Vicki, xyl of Wayne / N7QLK, both now in Florida, who had to spend some time in the hospital in February.

John / KG4NXT and I attended the Vienna Winterfest on March 9th. Handed out

Cont'd on page 4

Cont'd from page 3

a bunch of flyers for our upcoming TailGate event to be held on June 7th. They had a great turnout for this hamfest!

On Saturday, March 8th the Heritage Hunt Ham Club had their very first VE Session. This was held after sponsoring classes for interested individuals. The turnout for the classes was incredible, people from as far away as Front Royal attended multiple class sessions. Heritage Hunt asked us for some assistance to run the VE Session, so John / KG4NXT and I showed up to help out. Ten people came in to take tests and everybody left with a passing grade! Heritage Hunt did a great job!

The Virginia QSO Party is coming up on March 15th & 16th, so warm up those radios and hook up the antennas. John & I are planning to be mobile both days, starting up on Skyline Drive. Hope to hear you all! Please make sure you list the OVH as your club on the log when you turn it in. Don't forget the award ceremony for this QSO Party will be at our TailGate event on June 7th.

Special thanks to Ham Radio Outlet (HRO) in Woodbridge. They have a stack of our TailGate flyers in the front of their shop for people to take.

FredFest in Frederick, Maryland will be on March 22nd. We would like to have some items on our table to sell, so if you have anything please reach out so we can coordinate with you.

Please mark your calendar for Saturday, June 7th for the OVH Tailgate event! Volunteers are needed; please let us know how you can help.

Remember that the OVH Thursday night VHF/UHF FM net is at 8:00 pm each Thursday evening and is a great way to keep up with current events and hear what other active OVH members are up to with their radios! Details are on the W4OVH.NET web site.

Please send me your news, good, not so good and ham related info!

73 Theresa / KG4TVM kg4tvm@hotmail.com Tel: 703-257-3566

Minutes of the Ole Virginia Hams Amateur Radio Club Meeting held on February 19, 2025:

OVH President Ken / KN4DD called the meeting to order at 7:30 pm on February 19th 2025 in the training room at the Buckhall Volunteer Fire Department Station. After the Pledge of Allegiance, all present stated their names and call signs.

The presentation was a video of by K9OL about hunting Parks On The Air (POTA) contacts while parachuting to the ground from a 14,500 foot altitude.

The minutes of the January 22, 2025 meeting were approved.

Cont'd on page 5

Cont'd from page 4

Jeff / K9VEG gave the Treasurer's report and it was approved.

Luther WA3FMO gave the membership report via email because of his recent operation. There was one vote-in and she was voted in: Bettie St. Clair / no callsign yet.. and there was one read-in: Noah Lytle / KQ4IDI to be voted on at the next meeting.

ARES report. No report this month.

Ken / KE2N gave the Repeater report via email. All repeaters are working. No new DStar applications this month. The problem with the 220 machine continues.

Mark / WA4KFZ gave the training report. There was a VE session and two people got a new license. He is exploring an automated option with Android tablets.

Tailgate Party – John / KG4NXT gave the report. John and Theresa went to the Middle Peninsula Hamfest on February 1st and will go to the Vienna Hamfest on March 9th. They distribute TailGate Party Flyers at those events, We activated Mailchimp and sent an email blast to 1,600 people about TailGate Party on June 7th. A Google docs volunteer sign up sheet has been posted and more volunteers are needed.

Field Day – The OVH has submitted an events application asking fee waivers for the venue at the Nokesville Park. This is to make our overnight stay “legal”. Cat / KM4PBD had a field day planning meeting on February 5th.

Ken / KN4DD. Attacks continue on the OVH's W4OVH.net web site, but the software defenses are holding. Hackers with IP addresses in the Russian Federation were not as plentiful this month as recently, the real locations of sophisticated hackers is difficult to determine because IP addresses can be spoofed without too much difficulty. Ken described a problem with the website calendar plug-in and also described his plan to fix it.

Theresa / KG4TVM gave the Sunshine report. Birthdays were mentioned. She described the OVH's table at the Middle Peninsula Hamfest and also that Heritage Hunt Ham Club will be holding a VE session on March 8th. She mentioned too that Luther / WA3FMO had a recent knee operation and is recovering, also, that the Virginia QSO Party will take place in March.

NO 50/50 raffle.

Elections were held with secret ballots. All existing OVH officers were re-elected. Ken / KN4DD as President; Gil . KM4OVH as Vice President; Jeff / K9VEG as Treasurer; and John . as KG4NXT Secretary.

Old Business: None

New Business: None

The meeting was then adjourned.

Reminders about some upcoming events / calendar dates:

HAMFESTS:

Saturday, March 22, 2025. FredFest tailgate/hamfest in nearby Frederick, Maryland sponsored by the Frederick ARC. OVH will have a table. Details at <https://frederickarc.org/fredfest-2025/>

Saturday, May 3, 2025 - Hagerstown Hamfest - see two page flyer later in this Newsletter!

Friday - Sunday, May 16 - 18, 2025. Dayton Hamvention, Ohio. See hamvention.org for more info. This is one of the biggest Hamfest events worldwide and should be visited at least once! The day before the Dayton Hamvention begins, ContestUniversity.com will be holding an all day training event in Dayton, Ohio. Vrey worthwhile to attend if you are interested in contesting or high performance ham radio stations.

Saturday, June 7, 2025 - 7:00 AM to 1:00 PM. The OVH's 2025 Tailgate Party in Manassas. See flyer later in this Newsletter, also info at. <https://w4ovh.net/welcome-to-manassas-hamfest>
This is a major annual event for the OVH.

OVH EVENTS

The OVH's regular meeting for March 2025 will be on the third Tuesday in March, March 18th at the usual location, the Buckhall VFD Hall, 7190 Yates Ford Road, Manassas.

PUBLIC SERVICE EVENTS

Saturday, March 15, 2025, at 0900. PWCARES will hold a training session 0900 at the Manassas City EOC (9608 Grant Ave, Manassas, VA 20110).

HAM RADIO OPERATING / CONTEST EVENTS

Saturday - Sunday, March 15 - 16, 2025. The Virginia QSO Party sponsored by the Sterling ARC. Very popular with OVH members who participate individually and on behalf of the OVH. More information and details about this is available online at https://www.qsl.net/sterling/VA_QSO_Party/2025_VQP/2025_VQP_Main.html

Also, see, <https://www.arrl.org/contests> for more information and details about many other contests on the ARRL maintained Contest web page, A more comprehensive, up-to-date, and long range planning contesting calendar with links to the rules for the various events is maintained at <https://contestcalendar.com> by WA7BNM. Another very good web site for info is NG3K.com. If you have the radio contesting bug or just want to find out how much is going on - a lot -, these are very good places to look!

PUBLIC EVENTS / PUBLIC SERVICE / ARES EVENTS

Check the online Calendar on the OVH's web site at W4OVH.NET for information about upcoming OVH related events. Also, check the online Calendar maintained by David / KG4GIY at <http://pwcared.org> for the latest PWC ARES updates. Complete direct contact information for David / KG4GIY also appears on page 2 of this Newsletter.

Heritage Hunt Ham Club - VE Session on March 8, 2025

On Saturday March 8, 2025, the Heritage Hunt Ham Club (located in Western Prince William County) held its very first VE session. That Club had conducted an in-person class for prospective Technician licensees with 15 people completing the class. Some of them wanted to be tested immediately so the Club decided to hold its first VE session and asked the OVH to assist. John / KG4NXT and Theresa / KG4TVM attended to help with registration and other chores. The Heritage Hunt VEs were Chris / K4XMS, Allen / KC4ZA, Tim / K6SLK, and Stephen / KI4SA. Don / W2SBI also helped although not a VE. The VE session went smoothly and was successful; 10 candidates all passed the Technician exam. There were 11 new licenses issued because one also passed the General exam. After the exam, all of the VEs plus Theresa had lunch at the Heritage Hunt Club House.

Vienna Wireless' Winterfest on March 9, 2025

On March 9, 2025, OVH had a table at Vienna Wireless Club's Winterfest. The table was "free" with the understanding that OVH would give Vienna Wireless a free space at the upcoming OVH TailGate event. The OVH table was manned by Theresa / KG4TVM and John / KG4NXT. Its main purpose was to distribute Flyers for the OVH's June 7th TailGate event. We also had a plastic card with a QR code which pointed to the TailGate page on the OVH's W4OVH.net web site, We also had an Elecraft KX-3 to sell which generated a lot of interest but ultimately did not sell.

Winterfest was well attended and all inside table at the Fairfax County High School venue were sold although a few vendors did not show up. Also, there was some tailgating outside despite somewhat brisk temperatures. Other OVH members seen at the event were Gil / KM4OZH, Bruce / KN4GDX, Mark / WA4KFZ and Jim / KM4SXM. Woodbridge Wireless also had a table with lots of items for sale. Frank / W4NUA from Vienna Wireless who has been licensed as a ham operator for 63 years was present.

Some Possibly Interesting or Useful Information

At the upcoming OVH meeting there will be a presentation about the National Weather Service's SKYWARN program. Many hams participate in SKYWARN; participants first receive special training to enable them to provide independent weather spotter reports of severe weather to NWS' local Weather Forecast Office(s). Because knowing proper weather terminology and procedures for making (and reporting) helpful weather observations is crucial for this activity, most SKYWARN participants need special training. Many, free online training resources exist. For example, see, <https://weather.gov/spotterguide> which offers basic training. See also, https://weather.gov/iwx/online_spotter_training which provides pointers to many more very helpful and free resources, including those of the METED program at UCAR.edu. The URL for METED is <https://meted.ucar.edu/index.php>. To get access to specific METED courses, one must first sign up with an email address, a user name and a password; getting access is completely "free" and worth doing to get access to hundreds of online meteorology subject courses at all learner levels. The several courses specifically for SKYWARN can easily be found by searching for "SKYWARN" at METED.

REMINDER

Yes, it is that time of year again!!!! Below is the 2025 Renewal Application.

Please fill out the form below (for database), attach your check and mail to the address below or drop off at a meeting. Be sure to update all information, including your e-mail address, telephone number(s) and nine digit ZIP. Note: please check online at <https://w4ovh.net> for ways to do this renewal online.
